JUDICIAL

Proceedings of the Government of Mysore,

READ THE FOLLOWING PAPERS—

Letter No. 1271, dated the 13th March 1901, from the First Assistant to the Resident in Mysore, to the Dewan of Mysore.

I am directed to acknowledge the receipt of eight copies of the Report on the Administration of Jails and Lock-ups in the Mysore State for the year 1898-99, forwarded with your Secretary's letter No. 5532—J. 600, dated the 19th October 1900, and to state that three copies of the report were submitted to the Government of India.

2. The Government of India recognizing the value of the report and the care with which it has been prepared, have made the following observations and suggestions which I am to communicate to you for such action as the Durbar may consider desirable.

* * * * *

7. It would be an excellent departure if these returns and the report were compiled for the calendar year as in British India, instead of for the year ending on the 30th June. The adoption of the forms has brought the Mysore Jail report into line with those of Indian Jails generally and this further step would be still more valuable on many grounds.

8. The "measures adopted to keep out plague" (page 10) are interesting and creditable, and judging by the results, *i. e.*, by the sick-rate and death-rate, the prisoner in Mysore seems to be well cared for and to escape many of the ills to which the ordinary outside population is subject.

2. Letter No. 15117—J. 1497, dated the 10th May 1901, from the Secretary to the Government of Mysore, to the First Assistant to the Resident in Mysore.

I am directed to acknowledge the receipt of your letter No. 1271, dated the 13th March 1901, communicating certain observations and suggestions made by the Government of India on the Report on the Administration of Jails and Lock-ups in the Mysore State for the year 1898-99.

2. * * * * *

3. Regarding the suggestion that the report may be compiled for the calendar instead of the official year with a view to render it easy to institute comparison with similar reports of British India, I am to state that the proposal will be adopted with effect from the calendar year 1901.

No. 15118—J. 1498, DATED BANGALORE, 10TH MAY 1901.

ORDER THEREON—Copy forwarded to the Inspector General of Prisons, with reference to his letter No. 708—J., dated the 6th April 1901, and with a request that steps be taken to give effect to the proposal mentioned in para 3.

"I have the honor to forward copy of a Draft Regulation to further amend the Mysore Civil Courts Regulation, I of 1883, and to request that the approval of the Government of India may be kindly obtained to its being passed into law.

"2. The pecuniary limit of the jurisdiction on of Subordinate Judges in original suits and proceedings of a civil nature was enhanced from Rs. 5,000 to Rs. 10,000 under Regulation II of 1898. The Chief Court of Mysore has since proposed that power be taken to invest Subordinate Judges, whenever required, with unlimited pecuniary jurisdiction, as is the case in the Madras Presidency; and also to empower them to entertain appeals from Munsiffs direct in any specified local area. The above proposals have particular reference to the Subordinate Judge of Bangalore, who would, in the event of his being invested with the enlarged powers in question, be able to relieve the Chief Court of a material part of the original and first appellate civil work appertaining to the Nundydroog Division, in disposing of which a good deal of the time of the Judges on the original side of the Chief Court is taken up to the detriment of other and more important work. I may add that the present Draft Regulation, which embodies the said proposals, was published in the *Gazette*, for general information, but that no objections to its provisions, or criticisms of any kind adverse to the proposed measure, have been received."

Letter No. 10102—Legis. 82, dated the 9th February 1901, from the Officiating Dewan of Mysore to the Hon'ble the Resident in Mysore.—

"I have the honor to invite a reference to paragraph 11 of the Mysore Military Regulation, II of 1899, prescribing the punishments which may be inflicted on followers. It has been represented by the Chief Commandant, Mysore State Troops, that none of these is a quite suitable mode of punishment for minor offences committed by menial servants, and that it is desirable to empower Commanding Officers to inflict fines in such cases. The Inspecting Officer, Hyderabad and Mysore Imperial Service Cavalry, who was consulted on the point, has expressed himself in favor of the above proposal, and suggests the addition of 'fines not exceeding a day's pay for each offence' to the punishments enumerated in paragraph 11.

Official Memorandum No. 4465-72—L. F. 13-97, dated the 22nd September 1900, requesting the Presidents of the several Local Fund Boards in the State, to state whether the number of meetings of the District Fund Boards may not be reduced to the minimum of four prescribed in the rules published under the late Chief Commissioner's Notification No. 110, dated 4th July 1874, and whether such meetings may not, as a rule, be held at the head-quarters in view to avoid any inconvenience which may be caused to members by having to travel long distances.

(1) Letter No. 990, dated 21st December 1900, from the President, District Fund Board, Bangalore.

No. 14565-74—L. F. 53-1900, DATED BANGALORE, 1ST MAY 1901.

ORDER THEREON—A consideration of the above papers shows clearly that there is no necessity to insist that meetings of District Fund Boards should invariably be held once every two months. The Government accordingly direct that the minimum number of meetings required shall be four as that laid down in the rules published under the late Chief Commissioner's Notification No. 110, dated 4th July 1874, and that all meetings of the District Fund Boards shall be held at the Head-quarters of the Local Fund Circles concerned.

To—The Presidents, District Fund Boards of the several Local Fund Circles.

READ—

Letter No. 597, dated 20th March 1901, from the President, Sanitary Board, Kolar Gold Fields, submitting the budget estimates of receipts and expenditure of the Circle for the year 1901-1902.

No. 14812-23—L. F. 10-1901, DATED BANGALORE, 7TH MAY 1901.

ORDER THEREON—The receipts of the Gold Fields Circle for 1901-1902, are estimated at Rs. 21,785, against Rs. 35,140, the sanctioned estimate for 1900-1901, and Rs. 7,119, the actuals for eight months of the year 1899-1900, since the constitution of the Board.

2. *7½ per cent of Local Cess.*—Enclosure A shows that the estimated amount to be collected and credited during the year 1900-1901 is Rs. 2,135, while the total cess, including arrears at the end of the current year is put down as only Rs. 1,605 or Rs. 530 less. It is not therefore clear how the estimate is fixed higher than the assets available. Pending information, however, the estimate proposed will not be disturbed.

3. *Mohatarfa Collections.*—An increase of Rs. 1,000 over the sanctioned estimate for 1900-1901 is expected under this head, owing to the probable increase in the mining population in the surrounding villages. The estimate is passed.

4. *Fees from Market.*—An estimate of Rs. 4,000 is newly entered as the revenue expected from fees from the market expected to be completed by 1st July 1901. This item will be retained, subject to the submission of a report as to whether the construction of a market has been commenced and whether it is likely to be ready for occupation before the end of June 1901, as otherwise the estimate will have to be reduced or struck out altogether.

5. *Slaughter-house Fees.*—It is not explained how an increase of Rs. 1,000 is expected under this head and it is not supported by the actuals of 1899-1900. The estimate will therefore be reduced from Rs. 5,000 to Rs. 4,000 the sanctioned estimate for 1900-1901.

6. *License Fees.*—The increased provision under this head, expected from the issue of a greater number of licenses by the operation of the new Bye-laws, is approved.

EXPENDITURE.

7. *B. Public Works to be executed by the Sanitary Board.*—The provision made under this head is approved, subject to the submission of estimates for works costing Rs. 500 and upwards.

8. *C. Civil Charges: I. Establishment.*—The sanctioned budget for 1900-1901 provides for only eight months' salary of the deputy clerk on Rs. 15+10, whereas the present budget provides for the charge for the whole year. This accounts for the increase under this head, which is allowed.

9. *Conservancy.*—The increase of Rs. 660 under this head is due to the provision made for the increment of Rs. 25 a month earned by the Sanitary Inspector and a horse allowance of Rs. 15 to each of the two Overseers. The provision for the former is sanctioned, but that for the latter is struck out with reference to Proceedings No. 12550—L. F. 114-92, dated 18th May 1900, No. 8362-3—L. F. 114-92, dated 20th December 1900, and No. 11447—L. F. 114-92, dated 28th February 1901.

10. *X. Miscellaneous.*—The new provision of Rs. 2,800, entered under "(c) Repayment of loan with interest" is retained, subject to the submission of a report showing the amount utilized out of the loan of Rs. 20,000 sanctioned by Government in Proceedings No. 5301-2—L. F. 17-99, dated 3rd November 1899.

11. The budget estimates of receipts and expenditure of the Kolar Gold Fields Sanitary Board as now sanctioned will stand as per particulars given in the accompanying appendices, of which an abstract is given below :—

	Rs.
Estimated receipts for 1901-1902	20,785

B.	Do by the Sanitary Board. .	6,436
C.	Civil charges	13,010

As the estimated closing balance falls short of the prescribed minimum by Rs. 2,245, every endeavour should be made to maintain the usual working balance by effecting savings in the sanctioned items, unless the actual balance on 1st July 1901, should happen to be in excess of the estimate entered by Rs. 2,245 or more.

Correspondence ending with letter No. 608, dated 11th April 1901, from the Deputy Commissioner, Kadur district, stating that the North Mysore Planters' Association having remarked at its annual general meeting held on the 28th February 1901, that many roads in the Malnad are in a deplorable state from neglect and reduced expenditure and that the prices at famine rates are due to some extent to the bad condition of the roads, he repudiated the statements made by the members, and forwarding for the information of Government copy of his (Deputy Commissioner's) letter to the Secretary to the effect that the roads in question are much improved, that no reduction in expenditure on them was made anywhere and that the dearness of grain was due to other causes and not to the bad roads.

Extract from the Report of the Annual General Meeting of the North Mysore Planters' Association held at the Balehonur Club, 28th February 1901.

* * * * *

Roads and Communications.—Your Committee regret that, during the current year, the condition of the main Malnad roads shows a considerable decline. The state of the Tarikere, Koppa, Hariharpur and Umblihulla road, with the exception of a few miles on either side of Gedahalli, is deplorable, it being full of holes and ruts, and the same remarks apply to the Sollebile, Balehonur and Aldur road, which I understand is in a worse condition than it has ever been for the last twenty years. The matter is a most serious one, for if our main roads are more or less impassable during the monsoon, it makes a considerable difference to the supply of grain. This year the prices were almost at famine rates, and the bad condition of the roads was to some extent the cause of the abnormal rates, and it is to be hoped that the Durbar will not sacrifice the good condition of the Government roads, in order to complete the big schemes at the Cauvery Falls and Marikanave. While on the subject of communications, my Association wishes to express its thanks to the Public Works Department of this Province and South Canara for their promptness in making the Boom Ghaut road passable for wheeled traffic after the big landslip in August.

* * * * *

Gentlemen, I shall not go into all the subjects mentioned in the report as having engaged the attention of your Committee; but I would emphasize the bad state of the roads in the Malnad. From what I hear many are in a deplorable state from neglect and reduced expenditure. I have personally experienced the state of disrepair of the Koppa-Tarikere road. I trust that a representation to the Government on the subject may result in something being done before the monsoon renders the roads so bad that a grain famine will result. It cannot, I think, be the intention of Government to run the risk of famine—from stoppage of grain supplies owing to bad roads—at one end of the Province, that funds may be available for a water scheme at the other.

Letter No. 1315, dated 15th March 1901, from the Deputy Commissioner, Kadur district, to the Honorary Secretary, North Mysore Planters' Association, Sollebile.

I beg to acknowledge with thanks copy of your report of the Annual General Meeting held on 28th February 1901, but regret to find that your Association has thought fit to pass such disparaging remarks on the roads and communications.

2. On this point I think you will allow that I speak from experience, as I have travelled over these roads, probably, more than any one else in this district, and in reply to your remark that some of the roads have never been so bad for the last 20 years, I beg to state that on my return to the district, after an absence of nearly five years, I was agreeably surprised at the general state of the roads and remarked to many gentlemen on the general improvement; and that had I not seen it for myself I would not have believed that the roads could have attained such a state of perfection.

3. You further remark that you are given to understand that the expenditure on the roads had been reduced to pay for works in other parts of the Province. Allow me to inform you that this is not the case, for in no instance has any reduction been made.

4. In conclusion, I would beg to point out that in no single instance has any complaint been made to me regarding the bad roads and in no case has traffic been stopped. Had your Association taken the trouble to go into the matter at all, they would have found that the dearness of grain was due to other causes and not to the bad roads.

5. I trust that under those circumstances you will see your way to have these disparaging remarks withdrawn.

No. 15268-69—L. F. 51-1900, DATED BANGALORE, 14TH MAY 1901.

ORDER THEREON—Recorded.

To—The Deputy Commissioner, Kadur District.

The Secretary to the Government of Mysore, Public Works Department.

READ—

Letter No. 746, dated 13th March 1901, from the President, District Fund Board, Chitaldrug Circle, submitting the District Fund budget estimates of the Circle for 1901-1902.

No. 15444-56—L. F. 9-1901, DATED BANGALORE, 17TH MAY 1901.

ORDER THEREON.—The receipts for 1901-1902 under all heads are estimated at Rs 41,300 against Rs. 40,469, the actuals of 1899-1900, and Rs. 43,690, the sanctioned estimate for 1900-1901.

2. *76 per cent of Local Cess.*—The estimate under this head is given in column 7 of the enclosure A as Rs. 42,500, whereas the same is given in the consolidated budget statement as Rs. 32,300. The former figure represents apparently the entire cess revenue, while the latter is only 76 per cent thereof creditable to District Funds. The estimate given in the consolidated budget statement which is based on the Jamabandi for 1899-1900, is approved, with the observation that the enclosure A has not been correctly prepared. In future column 5 of the statement should be made to show 76 per cent of the arrears of cess, if any, at the commencement of the year to which the budget relates, and column 6 the entire demand of 76 per cent of the cess (total of columns 4 and 5), the portion thereof expected to be collected and credited during the year being exhibited in column 7 as the estimate of 76 per cent of the cess.

2 *Opening Balance.*—In lieu of the estimate of Rs. 9,718 proposed under this head, the estimated closing balance of Rs. 10,429 as per revised budget for 1900-1901, as sanctioned in Proceedings No. 13559-63—L. F. 47-99, dated 12th April 1901, will be adopted in the present budget.

EXPENDITURE.

3. *A. Public Works to be executed by the Public Works Department.*—The following modifications are proposed in respect of the mileage allotments of the District Fund roads:—

Name of the road.	As sanctioned for 1900-1901. Length.	Rate.	As proposed for 1901-1902. Length.	Rate.
		Rs.		Rs.
(1) Hiriyur-Huliyar road	23½	at 60	23½	at 50
(2) Nayakanhatti-Jagalur road included in Challakere-Jagalur road.	16	at 30	16	at 50
(3) Channagiri Saslu-Santebannur Railway feeder road.	5	at 40	5	at 50
(4) Davangere-Hadadi road	10	at 50	8	at 40
(5) Anaji-Huchangidrug road	2	at 40	Nil.	
(6) Challakere-Pavagada road	28	at 30	28	at 50
(7) Channagiri-Malebennur road	2½	at 50	2½	at 40
(8) Anaji-Davangere road	12	at 40	12	at 50
(9) Holalkere-Huliyar road	27	at 80	27	at 50
(10) Baramagiri-Hosdurga road	19	at 40	19	at 50

The necessity for these modifications has been explained by the President in his letter No. 734, dated 9th March 1901, as regards all the roads except No. 5, the omission to make any provision for which has not been explained. Pending information on this point, the estimate is allowed to stand.

4. *B. Public Works to be executed by the Revenue Department.*—The lump-sum provisions made under this head on account of the construction and repair

of drinking water wells, &c., will be retained, subject to the submission of details for "I. Original works" and "II. Repairs."

CIVIL CHARGES.

5. *V. Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas.*—The marginally noted variations account for the decrease in the present budget. It should be explained why the usual provision on account of the salaries of servants attached to the travellers' bungalow at Jogimut and the inspection lodge at Marikanave is omitted and what necessity there is for the employment of a care-taker for the rest-house at Kodaganur. A further report on these matters is awaited but the provision will be allowed to stand. The President ought to have given full information on this point without a requisition for it from Government.

F. 231-96, dated 7th March 1901, and stating that the delay noticed by Government in the above order was caused by the Nagadi gumasta of the Channapatna taluk and that as a punishment he has transferred the said official from the Channapatna to the Nelamangala taluk.

No. 14924-33—L. F. 231-96, DATED BANGALORE, 9TH MAY 1901.

ORDER THEREON—Recorded with the observation that the Closepet Deputy Amildar's, Channapatna Amildar's, and the Deputy Commissioner's offices are responsible for delays of one year and four months, three years and one and half months, and one year, respectively, and that such instances should not be allowed to recur.

Secy. to Govt., Gen. & Rev. Depts.

To—The President of the District Fund and Municipal Boards, Bangalore, returning the vernacular papers.
The President of the District Fund and Municipal Boards in other Districts, for information and guidance.

READ—

Letter No. 1031, dated the 18th April 1901, from the President of the Municipalities in the Mysore district, stating that a sum of Rs. 40-0-8 on account of the commission and feeding charges due to the pound-keeper at Seringapatam for the year 1895, was paid to him by the Sub-Division Officer of French Rocks, in September 1900, and that the Comptroller has taken objection to the payment, as more than two years had elapsed since the amount fell due, and soliciting sanction to the payment.

No. 15010-11—F. L. 56-99, DATED BANGALORE, 10TH MAY 1901.

ORDER THEREON—Sanctioned, the charge being met, as proposed, from Rs. 50 provided under "XI Miscellaneous (*b*) other items" in the current year's budget of the Seringapatam Municipality.

2. It is, however, observed that Government very strongly deprecate the system of disbursements not warranted by Standing Orders; Government sanction must invariably be obtained for such items of expenditure as require previous sanction.

To—The President of Municipalities, Mysore District.
The Comptroller to the Government of Mysore.

READ—

Letter No. 1012, dated 20th April 1901, from the President of the Municipalities in the Tumkur district, submitting the explanation called for in Government Proceedings dated the 26th July 1900, No. 1204-9—L. F. 54-99, in regard to the budget estimates of the several Municipalities in the district for the year 1900-1901.

No. 15136-37—L. F. 54-99, DATED BANGALORE, 11TH MAY 1901.

Para 2 of the Government Proceedings. Para 1 of the President's letter.

ORDER THEREON—The President explains that an increased revenue was estimated under the head "House-tax" in the budget of the Turuvekere Municipality as it had been proposed to revise the house-tax in 1900-1901, but as the revision was not made during the current year, owing to the unfavorableness of the season, the estimate under the head will be reduced to the sanctioned estimate for the previous year, *viz.*, Rs. 389.

2. The decrease under the same head in the Kyatsandra Municipal budget is explained to be due to the erroneous inclusion in 1899-1900 of the sum of Rs 100 expected from the town cattle-pound, and to the mistake having been rectified in the current year's budget. The estimate is passed.

Para 6 of the Government Proceedings. Para 2 of the President's letter.

3. The President explains that the appointment of the supervising peon on Rs. 2 (two) in the Holavanahalli Municipality was abolished, his duties being entrusted to the mutsaddi whose pay was increased from R. 6 to Rs. 8. This is approved with the observation that such changes in the sanctioned scale of establishments should not be inserted in the annual budgets before sanction of Government is obtained thereto.

5. As the above statement related only to *works* carried out by the Sanitary Department, the Plague Commissioner was requested to furnish the information called for by the Chief Engineer. The latter officer was also requested to send up another statement showing the expenditure incurred by the Revenue Department on account of the extensions and the City improvements. But the Superintending Engineer in reporting this expenditure as Rs. 84,811-14-2 up to

the end of June 1900 again stated that he was unable to give the details of th expenditure incurred in acquiring houses in the City, as the statements furnishe to him only showed the values of the houses acquired without mentioning th payments actually made.

6. The Deputy Commissioner was again called upon to submit a complet statement showing the values of houses acquired in the City, the amounts o compensation already paid and those still due to the owners; but he has merel reported that a sum of Rs. 65,149-12-10 has been paid up to the 29th Novembe 1900 as compensation for the houses acquired in the City; that Rs. 19,022-7-2 mor has still to be paid, and that some more cases relating to the houses marked fo acquisition are yet undecided, the amount required for settling them being esti mated at Rs. 10,000.

7. The Superintending Engineer's report, No. 365—85 dated 3rd Februar 1901, sent up by the Chief Engineer along with two tracings, showing what land have been acquired in the two extensions, contains a statement of details include in the sum of Rs. 84,811-14-2 mentioned above, as the expenditure incurred in th Revenue Department. The Superintending Engineer states that these charge which include the outlay on conservancy as sanctioned in Government Proceed ings No. 284-5, dated 16th September 1899, and pipe-laying in the extensions including several plague camps and the disinfection shed at the City Railwa Station, require re-adjustment in communication with the Executive Engineer Hessarghatta Water-supply Division.

8. The Comptroller on the other hand requests sanction for an excess expenditure of Rs. 16,528-8-0 which has been incurred over the grant o Rs. 1,50,000 on the ground that in addition to the sum of Rs. 1,40,432-10-7 spent by the Civil Department out of that grant, the expenditure of Rs. 26,095 14-0 incurred by the Public Works Department in laying pipes and constructing grain bazaars in the Basavangudi and Malleswaram extensions, had also to be debited to the same account.

9. Government regret to observe that the expenditure incurred out of the above grant has not been properly regulated or accounted for. It cannot be made out why and on whose authority the expenditure incurred on account of lay ing pipes in the extensions, especially for the plague camps and the disinfection shed at the City Railway Station, was debited to this grant and what is the amount involved in each case. It has not been explained why no separate application was made for sanction to debit the expenditure either to Public Works or to Plague funds. The statement of the expenditure of Rs. 1,49,936-11-0 furnished by the Deputy Commissioner does not show how much of it represents the establishment and conservancy charges, how much the amounts of compensation paid and how much the sum spent on works, such as opening roads, &c. The Comptroller, the Deputy Commissioner, Bangalore district, and the Chief Engineer are re quested to submit before the 15th of May 1901 detailed statements showing the expenditure incurred from the commencement of operations up to the end of April 1901 under the heads shown in the form appended.

	Amount of compensation paid for lands, crops and houses.	Establishment charges of Deputy Amildars and their establishments.	Conservancy charges and lighting.	Amount spent on works such as wages paid for opening out roads, &c.	Cost of laying pipes.	Total.
Basavangudi extension						
Malleswaram do						
Bangalore City						
Laying pipes to the plague camps ...						
Do disinfection shed near the City Railway Station.						

The Deputy Commis er will also add the amount of compensation still due under each of the heads of the statement.

10. The Deputy Commissioner in applying for an additional grant of Rs. 50,000 has apparently lost sight of the orders conveyed to the President of the Bangalore City Municipal Commission in Government Proceedings No. 4916-18—L. F. 43-98, dated 5th October 1900, to treat as a loan to the Municipality, the sum of Rs. 74,054 already spent in opening out roads and lanes in the congested parts of the Bangalore City. From the accounts now furnished, it appears clear that the sum of Rs. 65,125 out of the said Rs. 74,054 has been debited to the grant of Rs. 1,50,000 above referred to. This sum being, as directed by the order above referred to, transferred to the Municipal loan therein sanctioned, would become available for payment of compensation now due. If the cost of dismantling houses and removing debris by the Sanitary Department, *viz.*, Rs. 8,929, has been debited to the Public Works or Sanitary Budget, it has also in accordance with the same order to be treated as a loan to the Municipality, and would thereby set free a further sum for expenditure out of the grant of 1½ lakhs. The Comptroller, the Chief Engineer and the Deputy Commissioner, Bangalore district, are requested to submit a report at once as to the present state of this account, whether there is any objection to the course pointed out in the preceding paragraph being followed, and how much actually remains available out of the 1½ lakhs, in that case. Pending final orders in the matter, the Comptroller is requested to place a sum of Rs. 50,000 at the disposal of the Deputy Commissioner to meet pressing demands requiring settlement.

11. As regards the proposal made by the Superintending Engineer, Sanitary Circle, to reserve for public purposes some of the lands taken up before the limits of the extensions were finally determined, Government observe that they have the power of acquiring lands whenever they are wanted for public purposes, and that it is undesirable to acquire and keep lands in view of some future necessity which may or may not arise. The lands thus marked need not therefore be taken up for the present.

12. The Deputy Commissioner's attention is drawn to the orders conveyed in Government Proceedings No. Pg. 169-71, dated the 10th September 1900, and he is requested to report without delay why some tax should not be levied from the residents of the extensions in order to meet the cost of conservancy and lighting.

13. The Deputy Commissioner and the Superintending Engineer, Sanitary Circle, are informed in this connection that no unauthorized expenditure should be incurred in anticipation of Government sanction; and that officers who may do so, besides incurring the displeasure of Government, would render themselves personally responsible.

Letter No. 605, dated the 30th January 1900, from the Deputy Commissioner, Tumkur district, requesting sanction to the discontinuance of the levy of irrigation cess on Khushki Bagayat and wet lands entirely dependent on rain water in certain villages of the Chiknayakanhalli taluk, on the ground that such concession has been granted in Government Proceedings No. 11251-9—R. 3738, dated 23rd June 1897, in the case of Khushki Bagayat lands irrigated entirely by private wells not situated under Government tanks.

(2) Letter No. 720, dated the 6th April 1900, from the Superintendent of Revenue Survey in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

I have the honor to acknowledge receipt of your letter No. 6462—R. F. 98 of 1896-97, dated 13th March 1900, forwarding copies of the Tumkur Deputy Commissioner's letter No. 605 of the 2nd February 1900, with enclosures, and asking for my opinion upon

certain recommendations to discontinue the levy of irrigation cess on Khushki Bagayat, and also on purely rain-fed wet land in certain villages of the Chiknayakanhalli taluk; also asking me if information is available in my office as to the total amount of irrigation cess levied on such lands throughout the State.

2. My letter No. 422 of the 8th August 1895 is clear on both the above points. I then gave my opinion against discontinuing the cess, but Government in its Proceedings No. 11251-9—R. 3738, dated 23rd June 1897, overruled my opinion and those Proceedings are the basis of the Deputy Commissioner's present recommendation. In the same letter, I stated that it would be extremely difficult to distinguish between the gardens which should or should not pay irrigation cess. A compilation of such gardens throughout the State would entail enormous work and when compiled would, in my opinion, be misleading.

3. The Deputy Commissioner raises a new issue with reference to wet lands dependent solely upon rainfall. These lands have been assessed at extremely low rates, and I am not in favor of discontinuing the levy of irrigation cess in their case.

No. 8917-8—R. F. 98-96, DATED BANGALORE, 8TH MAY 1901.

ORDER THEREON—From the Deputy Commissioner's report and the statement accompanying it, it is observed that the total amount of the cess recommended to be remitted is only Rs. 12-12-11, which is levied separately on 72 acres and 10 guntas of wet and Khushki Bagayat lands bearing an assessment of Rs. 204-14-0. These lands are situated in villages in the late Budihal taluk, which were settled prior to the issue of Notification No. 341, dated 11th February 1875. The irrigation cess which is being levied separately will in the course of a few years be merged in the wet assessment at the revision of settlement which has been sanctioned already. It is in these circumstances considered inexpedient to disturb the existing system; the irrigation cess in question will, therefore, continue to be levied as hitherto.

2. The Deputy Commissioner, Tumkur district, reports that the number of darkhasts pending disposal at the end of the last quarter was erroneously put down as 5 owing to the inclusion of one darkhast that was not sanctioned, and that the correct figure is 4.

3. The number of darkhasts pending disposal at the end of the last quarter in the Hassan district was shown as 15; but the number pending at the beginning of the present quarter is given as 16. This discrepancy requires explanation.

The Deputy Commissioner reports that there is only one darkhast, relating to 1892-93, pending disposal and not two as shown in the previous statement, and that the same will be disposed of soon. The Deputy Commissioner is requested to dispose of without further delay not only this old darkhast but also the one relating to the year 1894-95.

The attention of the Deputy Commissioner, Kolar, is drawn to the two old darkhasts pending since 1894-95. The number pending in Shimoga is large and should be disposed of early.

Memo No. 2076, dated 24th April 1901, from the Military Assistant to the Mysore Government, forwarding docket No. 175, dated 19th April 1901, from the Superintendent, Amrut Mahal Department, submitting the return of Australian flock of sheep for the quarter ending 18th April 1901.

No. 9371—R. F. 9-1897, DATED BANGALORE, 22ND MAY 1901.

ORDER THEREON—The sheep-breeding experiment was started in 1885 with the object of improving local breeds by crossing them with foreign animals of superior qualities. The management of the sheep farm was transferred from the Forest to the Amrut Mahal Department in January 1897, when there were 147 female and 39 male sheep. Subsequently four new breeding rams were purchased. The number now on hand is reported to be 135 female and 85 male sheep and four cross-breeding rams.

2. When the farm was under the management of the Forest Department, a few sample shawls were made of the wool taken from the cross-bred sheep, and they were pronounced to be of superior quality. The Conservator considered it advisable to get a large supply of shawls and kumblies made in Davangere out of the wool supplied from the farm, and expected that they would find a ready and favorable market. The result of this project has, however, not been reported, and probably it was not carried out as intended.

3. Since the transfer of the farm to the Amrut Mahal Department, bare returns of the flock of sheep are being submitted to Government every quarter, but sufficient attention has not been paid to the main purpose of the experiment.

4. Colonel Campbell Walker was doubtful whether the transfer to the Amrut Mahal Department would not result in failure; but the Superintendent of the Amrut Mahal Department (July 1897) assured the Government that proper precautions would be adopted to keep the flock uncontaminated. In a further communication, the Superintendent changed his opinion and accepting the views of the Conservator, recommended that the flock might be transferred to the charge of the District Forest Officer of Hassan. The Government, however, disallowed this and called upon the Amrut Mahal Officer to pay personal attention so as to achieve the success of the experiment.

5. If the expenditure of money on this concern should be justified as an experiment, a number of superior animals should be disseminated throughout the country by sale or gift, for breeding purposes. If the sheep can produce superior wool, they should be shorn at proper seasons and the wool placed in the market for sale or, as suggested by the late Conservator of Forests, action taken to get it woven into shawls and kumblies in Davangere, Kolar and elsewhere.

6. As it is, the farm though in existence since 1885, has achieved no result worth speaking of to show, except perhaps an expenditure of a large sum.

7. Without the Amrut Mahal Superintendent pursuing this work with continued enthusiasm for a sufficiently long period, there will not be even the negative benefit of knowing that there are no chances of success in any such new business.

8. The Superintendent, Amrut Mahal, is requested to report at an early date what he now proposes to do in the matter and what expenditure has been incurred annually up to date.

Letter No. 4811, dated 18th March 1901, from the Comptroller, Mysore Government, forwarding the statement of advances remaining unadjusted in the several districts of the State on 30th June 1900.

No. 9078-86—FL. 928, DATED BANGALORE, 11TH MAY 1901.

ORDER THEREON—The abstract annexed in the margin shows that there still remains a large amount of Rs. 1,00,007 to be adjusted. Of this, a sum of Rs. 36,191, relating to the expenses in connection with the recent Royal marriages, has since been adjusted. The balance of Rs. 63,816 is, however, considerable. Of this, Rs. 28,313 is the amount of advances pending from before 1896; and the remainder relates to advances drawn since that period. The total amount remaining unadjusted in each district is as follows:—

Districts.	Total amount outstanding on 30th June 1900.	Since adjusted as shown by the Comptroller.	Balance outstanding.	Amount drawn before 31st December 1896.	Amount drawn since January 1897.	Advances on account of Royal marriages.

2. Mysore comes foremost both as to the number and the amount of its unadjusted advances. The oldest item is that relating to the year 1885. There are similar old items relating to the years 1891, 1886, 1889 and 1889, in the districts of Bangalore, Kolar, Shimoga and Hassan, respectively.

3. The Comptroller reports that a quarterly statement of outstanding advances is sent to each Deputy Commissioner and repeated calls are made for their adjustment. Proper attention does not appear to have been given to these calls in these five districts. This is very unsatisfactory. Extracts from the Comptroller's statement will now be sent to each of these Deputy Commissioners, who are requested to see that all items outstanding for more than one year are adjusted before the close of the current official year. The extracts should be re-submitted to Government within one week from date of receipt with remarks noted in each to show—

(1) the authority under which the advance was drawn;
(2) why it is pending; and
(3) what action is being taken for its adjustment.

4. Three unadjusted items for Rs. 28, Rs. 4 and Rs. 100, particularized in the margin, have been shown against the District Treasury Officer, Shimoga, as owing to deficiency in remittance. It is not clear what this means. The Deputy Commissioner is requested to report why there were deficiencies in remittances and what action was taken concerning them.

Copy of the following letter forwarded to the Officiating Dewan of Mysore for the favor of the views of the Durbar, with reference to letter No. 1599—Fl. 129, dated the 18th August 1900, from the Secretary to the Government of Mysore, General and Revenue Departments:—

Letter No. M. S. 10-I—33936, dated the 10th November 1900, from the Post Master General, Madras, to the First Assistant to the Resident in Mysore, Bangalore.

With reference to the correspondence ending with your letter No. 4274, dated the 27th August 1900, I have the honor to request that you will be so good as to let me know whether the Durbar has any objection to the rules now in force in British territory within the Madras Circle on the subject (*vide* copies sent with this office No. 44721, dated the 19th February 1900), being adopted in the Mysore State.

2. I take this opportunity to request that the Durbar may be moved to accord its approval to the Sub and Branch Post Masters in the Mysore Province vending non-judicial stamps also.

(2). Letter No. 4947—Fl. 499, dated 29th December 1900, from the Secretary to the Government of Mysore, General and Revenue Departments, to the First Assistant to the Hon'ble the Resident in Mysore.

With reference to correspondence ending with your Memo No. 6058—351-93, dated the 17th November 1900, forwarding copy of letter No. M. S. 10-I—33936, of the 10th idem, from the Post Master General, Madras, I am directed to state that the Durbar have no objection to the adoption of the rules in force in Madras for the sale of non-judicial and Court-fee stamps by Post Masters, Sub-Post Masters and Branch Post Masters, so far as the same may be applicable, as per annexed draft.

2. Madras Rules 1, 2, 3 and 4 have been adopted in their entirety, with slight verbal alterations, and Rules 5 and 6 have been omitted altogether. The first and last clauses of Rule 7 have been incorporated in the draft, omitting the remaining portion, as also Rules 8 and 9. The omitted portions, it will be observed, relate to the internal administration of the Post offices and the conduct of the licensed Postal vendors, with regard to the custody and sale of the stamps, keeping accounts, executing engagements (presumably in favor of the Postal Department) and other matters, as to which the Durbar have apparently no concern. On receipt of intimation that the Post Master General considers the draft rules suitable, the same will be issued and promulgated in the usual course.

3. Notwithstanding the arrangement under which Postal officials will be licensed to sell Mysore stamps, it will, of course, be open to the Deputy Commissioners, at their discretion, to grant licenses to other persons in the same localities, whenever deemed necessary in the interests of the public convenience or the State revenue.

(3). Copy of letter No. M. S. 10-I—53409, dated 19th March 1901, from the Post Master General, Madras, to the First Assistant to the Hon'ble the Resident in Mysore, received with the latter Officer's endorsement No. 2195, dated 1st May 1901.

With reference to your endorsement No. 300—35193, dated the 18th January 1900, I have the honor to state for the information of the Resident that I approve of the draft rules prepared by the Mysore Durbar. On hearing from you further on the subject, all the Postal officials in the Mysore Province will be instructed on the matter.

"Government are therefore pleased to direct that in future all candidates for Government employment who would, if finally employed by Government, necessarily have to insure their lives in the State Insurance office, should, provided they are of suitable age, be medically examined at once both as to fitness for Government service and as to eligibility for life assurance, and be then and there furnished with the necessary certificates for both purposes."

Government Proceedings No. 23048—R. F. 90-93, dated the 23rd June 1894, declining to class Akki Bhoja as "fermented liquor" as it would lead to too great and uncalled-for interference with the domestic arrangements in the malnad.

READ—

Subject No. 78 in the Proceedings of the Dasara Representative Assembly of 1897.

Summary of Discussion.—In almost all important villages, there are arrack and toddy shops and yet the illicit manufacture of Akki Bhoja (distillation from paddy) is being carried on to the detriment of the health of many a cooly. This article is openly sold apparently under the permission of Government officers as mohatarfa is levied for the vending.

Illicit manufacture of Akki Bhoja.

(2) Letter No. 1095—42, dated the 7th August 1899, from the Excise Commissioner in Mysore.

Adverting to Subject No. 75 on page 53 of the Proceedings of the Assembly of Representative Raiyats and Merchants held at Mysore in October 1897, I have the honor to submit herewith copies of the marginal correspondence relating to "Akki Bhoja" (rice beer) and to state that in Government Proceedings No. 23048—R. F. 90-93, dated the 23rd June 1894, it was observed as follows :—

1. Chemical Examiner's statement, dated 24th November 1897.
2. Letter No. 115, dated 7th December 1897, from the Chemical Examiner.
3. D. O. dated 11th August 1898, from the Special Assistant Commissioner.
4. Docket No 1971—364, dated 6th September 1898, to ditto.
5. Letter No. 814, dated 21st September 1898, from ditto.
6. Docket No. 2724—494, dated 28th September 1898, to ditto.
7. Docket No. 1126, dated 24—28th November 1898, from ditto.
8. Letter No. 3020—778, dated 29th November 1898, to the Chemical Examiner.
9. Letter No. 389, dated 17th December 1898, from ditto
10. Memo No. 3070—905, dated 19th December 1898, to Mr. Kearns, Special Assistant Commissioner.
11. Letter No. 1464, dated 6th January 1899, from ditto.
12. Docket No. 1522—1004, dated 10th January 1899, to ditto.
13. Letter No. 1704, dated 22nd January 1899, from ditto.
14. Extract of the Deputy Excise Commissioner's letter No. 385, dated 3rd June 1899.
15. Letter No. 219, dated 19th July 1899, from Mr. Kearns, Special Assistant Commissioner.

"The Government are not as yet prepared to class Akki Bhoja as fermented liquor, as "it would lead to too great and uncalled-for interference with domestic arrangements in the malnad. The existing arrangements may continue."

2. On receiving complaints frequently from arrack vend farmers and toddy vend farmers that Akki Bhoja which used to be prepared formerly only as a beverage, was of late being manufactured with the mixture of intoxicating elements and sold to the detriment of Arrack and Toddy revenue, I obtained from the Shimoga district thirteen articles which are reported to be used in the preparation of Akki Bhoja and sent them to the Chemical Examiner for analysis. The accompanying copy of the Chemical Examiner's statement, dated the 24th November 1897, shows the results of the analysis of these articles, some of which it will be seen are poisonous. A sample of Akki Bhoja itself received from the Deputy Commissioner, Shimoga district, was also sent to the Chemical Examiner. The accompanying copy of his report of the analysis thereof shows that alcohol was found in it in scarcely perceptible quantity. As I suspected that because the Deputy Commissioner wanted a sample of Akki Bhoja, the manufacturers thereof would not have given him a sample of the special preparation with intoxicating property, I requested Mr. Kearns, Special Assistant Commissioner in charge of the Mysore Division, to secure and send me a proper sample of it from the Kadur district. I received such sample on 29th November 1898 and forwarded it to the Chemical Examiner on the 30th idem. The accompanying copy of the Chemical Examiner's report on it shows that it contained 2·15 per cent of absolute alcohol by weight and 2·70 per cent by volume.

3. It will be seen from Mr. Kearns' letter No. 814, dated the 21st September 1898, that the manufacture and sale of Akki Bhoja without license being illegal under the Madras Abkari Act, a license fee of Rs. 50 per annum has been prescribed for its manufacture and sale in the City of Madras.

4. The Revenue Department levies Mohatarfa (professional tax) on all shops dealing in liquors and drugs. Accordingly a Mohatarfa tax varying from Rs. 2 to Rs. 4 is levied from persons who sell Akki Bhoja; but no license fee is levied from them under the Excise Act, as it has not yet been brought under its operation as per clause (*f*) of Section 3 thereof.

5. I concur in the opinions of Messrs. Davy and Kearns that as Akki Bhoja is now manufactured and sold as an intoxicating alcoholic drink, it is absolutely necessary that in the interests of Arrack and Toddy revenue it should be classed as a "Fermented liquor" within the meaning of clause (*f*) of Section 3 of the Excise Act.

6. Mr. Ricketts, late Excise Commissioner, in his letter No. 385—50, dated the 28th July 1893, recommended that a uniform rate of Rs. 5 per annum should be levied for every license granted for the vend of Akki Bhoja; but I am of opinion that the rate should vary in accordance with the importance of the villages in which the liquor is sold. Accordingly I would propose that a license fee of Rs. 5 per annum should be levied from those who pay a Mohatarfa tax of Rs. 2, and Rs. 10 from those who pay a Mohatarfa tax of Rs. 4, per annum.

7. A draft Notification is herewith submitted for approval and publication.

No. 9101-10—R. F. 90-93, dated Bangalore, 13th May 1901.

Order thereon—The papers read above relate to the question of bringing within the purview of the Excise Regulation, the manufacture and sale of Akki Bhoja.

2. The Government have carefully considered the subject and are of opinion that the conditions obtaining at the time when the Order of 1894 was passed are no longer applicable and that the time has arrived for imposing suitable restrictions upon the manufacture and sale of Akki Bhoja. What was

nally intended to be a refreshing and innocuous beverage has latterly devel- l into an intoxicant, which on account of its cheapness is naturally preferred rrack and Toddy by the drinking poor, and for the sale of which as many early 100 shops have rapidly come into existence. Although this liquor, h is certified by the Chemical Examiner to contain 2·7 per cent of alcohol olume, is weaker than Arrack or Toddy, yet it is none the less " fermented r " of the kind contemplated by the Excise Regulation. The Excise ers of Government, the lessees of Arrack and Toddy shops in the State and Representative Members of the malnad taluks have for sometime past been in their complaints against the continuance, under authority and to the iment of the State Abkari Revenue, of the unlicensed and unrestricted sale is liquor which goes on largely in several malnad taluks. The Government efore resolve to sanction the Excise Commissioner's proposals with effect . 1st July 1901.

3. The following Notification will be published in the *Mysore Gazette* :—

NOTIFICATION.

No. 9111—R. F. 90-93, DATED BANGALORE, 13TH MAY 1901.

Under clause (*f*) of Section 3 of the Excise Act, XXII of 1881, as amended ct VI of 1885 and as introduced into Mysore by Regulation III of 1885, Government of Mysore are pleased to direct, with effect from 1st July 1901, Akki Bhoja (rice beer) shall be included in the term " fermented liquor " as ed in the aforesaid clause, and shall be subject to the provisions relating to sale of country fermented liquors under the aforesaid Act.

2. Under clause (*b*) of Section 55 of the aforesaid Act, the Government of re hereby prescribe the following rates of fees for licenses granted for the of Akki Bhoja :—

(*a*) A license fee of Rs. 10 per annum from every person who vends Akki Bhoja in a first class shop.

(*b*) A license fee of Rs. 5 per annum from every person who vends Akki Bhoja in a second class shop.

The Excise Commissioner will determine the class to which each shop will ng for this purpose, and may from time to time alter such classification.

3. In exercise of the powers conferred by Section 56 of the aforesaid Act, Government of Mysore are pleased to declare that the prohibition contained ections 5 and 21 of the aforesaid Act against the manufacture and possession ermented liquors without license, shall not apply to Akki Bhoja manu- ured exclusively for *bonâ fide domestic consumption* but not *for sale.*

PETITION

Proceedings of the Government of Mysore,

BEFORE THE GOVERNMENT OF MYSORE.

PRESENT:

V. P. MADHAVA ROW, ESQ., C. I. E.,

AND

C. SREENIVASIENGAR, ESQ.

Appeal No. 5 of 1900-1901.

Appellant Nadig Venkatappa of Honnavalli, Tiptur Taluk.	*Versus.*	Respondent Honnavalli Timmamma, residing at Patnagere, Kadur Taluk.

Subject.

This is an appeal against the decision of the Deputy Commissioner, Tumkur district, reversing the judgment of the 2nd General Assistant Commissioner, decreeing the plaintiff's claim to the shanbhogi office of Honnavalli firka, Tiptur taluk.

Facts of the case.

In the Barabaluti Register of 1861, the plaintiff's grand-father Venkatappa and the defendant's father Shamaiya are shown as hakdars to the shanbhogi office in question, the latter being the actual officiator. About the year 1863-64, the defendant's father made an unsuccessful attempt to have Venkatappa's name removed from the register, but the Commissioner of Nundydroog Division, in his order dated 31st August 1864, directed that the registry should continue as before. After Shamaiya's death in 1879, the plaintiff's father Suryanaranaiya claimed the office; but he was told by the Deputy Commissioner that he could not get the same during the life-time of Shamaiya's widow Lingamma, who was accordingly registered as shanbhog in 1883. Lingamma having died in 1897, the plaintiff claimed the office. In the enquiry which followed, the Deputy Commissioner ordered that the registry should be made in the name of Timmamma, the eldest daughter of Shamaiya and Lingamma.

2. Thereupon the plaintiff brought a regular suit for the recovery of the office. The General Assistant Commissioner, Mr. A. Subrambanya Iyer, decreed the plaintiff's claim. On appeal the Deputy Commissioner reversed the decree and ordered that the registry made in the name of the defendant should not be disturbed during her life-time and that after Timmamma's death, the office should revert to the plaintiff. Hence this appeal to Government by the plaintiff.

Decision.

This is not a case of disputed succession. The plaintiff (appellant) claims the shanbhogi in question on the ground that his grand-father's name was entered in the shanbhogi register of 1861, as joint-hakdar with the defendant's father. Government are not concerned with the question, whether that entry was rightly made and could entitle the plaintiff's grand-father to an equal share in the hak. Apart from the fact of there being nothing in the entry itself to raise any doubts as to the validity of plaintiff's grand-father's title, the fact that subsequent to such entry the defendant's father and the plaintiff's grand-father tried in 1863 and 1864, respectively, the former to get the latter's name removed from the register, and the latter to get a share in the emoluments of the office, would show that the entry was not allowed to remain uncontested. The final orders of the Commissioner of the Nundydroog Division passed in 1864, Exhibit G., leave no room for doubt that the plaintiff's grand-father was a joint-hakdar in the shanbhogi.

3. The defendant's father Shamaiya, however, continued to be the officiator until his death in 1879. In 1883 the widow of the defendant's father was registered as shanbhog, a deputy being appointed to do the duties. The Government consider that this order was not correct. The right to the shanbhogi was contested by the plaintiff's father, but he was told that his claim could not be considered during the life-time of the deceased officiator's widow. The widow died in 1897. Plaintiff renewed his claim and was given a decree in his favor by the General Assistant Commissioner. But in appeal, the Deputy Commissioner held that the defendant, who is the eldest daughter of the deceased Shamaiya, had a preferential claim and should have the shanbhogi office transferred to her, but being a daughter, she had only a life-interest in the hak. The Government are unable to agree in this finding or in the reasoning of the Deputy Commissioner, and are of opinion that on the death of one of the joint-hakdars the other hakdar was entitled to have

possession and enjoyment of the hak which has been in Shamaiya's (defendant's father's) family for over 50 years. It is time that the other hakdar had his turn of enjoyment. In the absence of an enactment like the Bombay Vatandari Act, questions like these are not easily solved. But in the present case, Government have no hesitation in holding that in virtue of the plaintiff being a joint-hakdar, he is entitled to have the entire shanbhogi hak on failure of male heirs to the other hakdar.

No. 8791—P. F. 48-1900, DATED BANGALORE, 2ND MAY 1901.

Copy of the above is forwarded to the Deputy Commissioner, Tumkur district, returning the records received with his No. 822, dated 7th March 1901.

PRESENT:

V. P. MADHAVA RAO, ESQ., C. I. E.

AND

C. SREENIVASIENGAR, ESQ.,

Appeal No. 13 of 1898-99.

Appellant	*Versus*	Respondent
Syed Mrutyuza Sab.		Budigere Venkataramaiya.

Subject.

This is an appeal against the order of the Deputy Commissioner, Kolar district, directing the cancellation of a varg razinama presented in favor of the appellant by the respondent, relating to Survey Nos. 384 and 385 below the Amani tank of Kolar. The facts of the case are as follows:—

2. On the 17th July 1893, the respondent's father Govindaiya transferred his wet land, Survey No. 306, to the appellant, by means of a sale deed, but died before the transfer was effected. The respondent, who inherited the lands of his deceased father, accordingly filed a razinama on the 17th December 1896 transferring to the appellant Survey Nos. 384 and 385. Before patta was issued in the name of the latter, the respondent petitioned the Amildar of the Kolar taluk on the 5th March 1897, stating that the insertion of the above Survey numbers instead of the Survey No. 306 in the razinama was due to the deception practised on him by the appellant, and praying that the razinama might be on that account cancelled. The Amildar referred him to the Civil Court and the Jamabandi Officer confirmed that order. On respondent Venkataramaiya's appeal, the Deputy Commissioner (Mr. A. Rangasamaiengar) remanded the case for fresh enquiry and decision in respect of the fraud alleged in connection with the transaction. The result of this enquiry held by the Assistant Commissioner showed that the respondent had been deceived as to the Survey numbers of the lands mentioned in the razinama, and the Deputy Commissioner agreeing in this finding, cancelled the varg razinama executed by the respondent in favor of the appellant. Hence this appeal to Government.

Decision.

The Government do not see any reason to interfere with the order of the Deputy Commissioner. The appeal is accordingly dismissed.

Appeal No. 17 of 1898-99.

Appellant	*Versus*	Respondent
Timmappa of Amratur, Kunigal Taluk.		Hosura of Amratur.

Subject.

This is an appeal against the order of the Deputy Commissioner, Tumkur district, No. 253, dated the 1st August 1898, cancelling the sale for revenue arrears of Survey No. 56 of Nadamavinapurada Ane Hanta, Kunigal taluk.

Facts of the case.

Survey No. 56 of the above village in the khate of the respondent Hosura fell into arrears for default in the payment of kandayam for the year 1897-98. Thereupon a demand notice was issued but as the khatedar's whereabouts were not known, it was served on the land. The default having continued, the land in question was forfeited and then sold with the crops thereon in public auction on 17th May 1898, by the sammat shekdar, at which the appellant purchased it for Rs. 17-6-0. The full amount of purchase money was paid up on the date of sale.

2. Subsequently it having been learnt that the defaulter was living at Melikote in the Tumkur taluk, the Amildar issued a notice to him informing him of the sale of his land and telling him that if he wanted to have the sale cancelled, he might pay up the arrears at once and apply for the cancellation of the sale within the interval of one month between the sale and its confirmation. This notice was served on the defaulter on 12th June 1898.

3. On the same day, the Amildar submitted the records to the General Assistant Commissioner, recommending that the sale might be confirmed. The sale was accordingly confirmed on 18th June 1898, and the land put in possession of the appellant on 30th June 1898.

4. On 14th July 1898, more than a month after the service of the notice, the respondent submitted a petition to the Deputy Commissioner urging that he had left his native place owing to the illness of his wife, that he had no notice of the sale, that the arrears could have been realized by the sale of the crop which stood on his land, and that the land which was worth Rs. 300 had been sold for a paltry sum. He prayed that on these grounds the sale might be cancelled.

5. After calling for the records, the Deputy Commissioner cancelled the sale on 14th September 1898, on the grounds that the price realized at the sale was very low and that the Amildar had not obtained the sanction of the Deputy Commissioner for selling the land along with the crop. The appellant has appealed against this order.

Decision.

The procedure adopted by the Amildar of giving a notice to the defaulter after the sale of his land, was clearly wrong and the object of the notice was nullified by his making a recommendation for the confirmation of the sale on the date of the service thereof and before the expiry of a month from the date of sale. The sale, however, was confirmed by the Assistant Commissioner on 18th June 1898, *i. e.*, a month after the date of sale. The alleged inadequacy of the price did not affect the sale as all prescribed formalities had been regularly observed. The Deputy Commissioner's opinion that the Amildar ought to have obtained his permission to sell the crop standing on the land along with the land, cannot be upheld, as Section 54 of the Land Revenue Code applies to standing crops also. For these reasons, the cancellation of the sale by the Deputy Commissioner was irregular. The Deputy Commissioner's order is therefore reversed and the sale is confirmed.

1. Ranga Srinivasachar 2. Seshadri Narasimhachar, (Defendants)		B. Mallappa, (Plaintiff).

Subject :

This is an appeal against the order of the Deputy Commissioner, Mysore district, dated 14th February 1899; confirming that of the 1st General Assistant Commissioner restoring to file Miscellaneous * Suit No. 2 of 1893-94, which had been ordered to abate on the death of the defendant, the father of the present appellants before Government.

*Plaintiff B. Mallappa. Vs. Defendant Hundi Krishnamachar.

The facts of the case.

On the 27th May 1894 the respondent B. Mallappa filed the above Suit (No. 2 of 1893-94) in the Court of the Assistant Commissioner in charge of the Tirumakudlu Narsipur taluk for the recovery of damages amounting to Rs. 1,302 from the defendant in connection with his suspension from the shanbhogi office of Binakanahalli and Megadahalli villages in the said taluk. The defendant Hundi Krishnamachar was murdered on the 18th April 1895; and, as the plaintiff failed to put in an application to make the deceased's representatives defendants in the suit within the period allowed by Article 175 (c) of the Limitation Act, the suit was ordered to abate on 29th July 1895. Subsequently in July 1896, the plaintiff applied to the Assistant Commissioner for cancellation of the order of abatement and also for the entry of the legal representatives of the deceased defendant (the appellants before Government) as the defendants in the suit, urging his illness as a reason for not applying in time. After hearing the plaintiff and his witnesses, the Assistant Commissioner cancelled his order and restored the suit to the file on 16th April 1898. Against this order the defendants appealed to the Deputy Commissioner urging, among other grounds, that the plaintiff's application of July 1896 was time-barred. The Deputy Commissioner finding no reason to interfere with the order of the Assistant Commissioner, rejected the appeal with costs. Hence this second appeal to Government.

Decision :

Under Section 588 of the Civil Procedure Code no second appeal lies against an appellate order under Section 368 of the same Code. This appeal is accordingly dismissed.

Appeal No. 44 of 1897-98.

Appellants	*Versus*	Respondents
Sanjiva Rao of Ramasamudra, Chamrajnagar taluk.		Khandiah and Settappa.

The appeal is against the order of the Deputy Commissioner, Mysore district, confirming the sale of the appellant's lands held for recovery of Excise arrears due for 1894-95.

The following are the facts of the case.

The appellant, Sanjiva Rao, was the lessee of the Mangala and Handrakalli grove farms of the Chamrajnagar taluk for 1894-95. On his appeal to Government for remission of the khists for five months due from him for 1894-95 and for the return of his deposit amount on the ground that he had been greatly prejudiced by the refusal of the farmer of the Yelandur taluk to purchase toddy from the above groves, Government in Proceedings No. 10315-16—Ex. 369, dated 21st May 1897, were pleased to remit the rental of the Mangala grove farm for the first four months of the year. The amount thus remitted being Rs. 403-12-0, there was still a balance due of Rs. 425 from the defaulter which had to be recovered. On the 24th June 1897, a notice was served on the appellant by the Amildar asking him to pay up the amount within a fortnight on pain of the sale of his lands being confirmed if he failed to do so. These lands had been formally sold by the Amildar on the 28th, 29th and 30th August 1895, but the confirmation of the sale had been held in abeyance under the orders of Government pending the disposal of the appeal referred to in the above Proceedings No. 10315-16—Ex. 369, dated 21st May 1897. The appellant, subsequently, although notice was served, failed to pay up the balance due. The sale of the marginally noted 14 lands out of the 18 which had been sold on the 28th, 29th and 30th August 1895, was therefore confirmed by the Deputy Commissioner on the 14th August 1897, the deposit amounts on the remaining four lands sold having been returned to the purchasers on their application therefor. The petitioner appealed to Government against this order on the 19th October 1897 on the grounds that the prices realized were inadequate, that the lands had been sold with the incumbrances on them, that the return of the deposit amounts to some of the purchasers was irregular and that only the sale of such of his lands as would have made up the arrears should have been confirmed instead of all of them being confirmed as was done by the Deputy Commissioner.

Soles confirmed by Deputy Commissioner.

Decision.

The proceedings held by the Amildar Krishnappa in connection with the sale of the appellant's lands are irregular from the commencement. The appellant was a farmer of toddy revenue and made default in respect of certain sums due to Government. Proceedings were rightly held as for recovery of arrears of land revenue under Chapter XI of the Revenue Code. But the Amildar was wrong in having declared the lands of the defaulter against which he was proceeding to be forfeited to Government. Such forfeiture is proper only in regard to lands on which the arrears are due. This initial irregularity vitiates all the subsequent proceedings. They are set aside. Fresh proceedings will be taken for recovery of the arrears of toddy revenue according to law. The proceedings show that while the arrears were only Rs. 425, the sale of lands to the value of Rs. 592 had been confirmed by the Deputy Commissioner.

Petition No. 3543 of 1885.

Petitioner—Rudraswami, since deceased, by his sister Girijammanni, Kayamguttadar of Heggadapura, Heggaddevankote taluk.

Subject:

This is an appeal against Order No. 101, dated 21st July 1884, of the Deputy Commissioner, Mysore district, declining to permit the petitioner to open a second sluice to the Singasamudra tank included within the limits of the Kayamgutta village of Heggadapura.

Facts of the case.

Heggadapura is a Kayamgutta village. At the Survey Settlement about the year 1881, the tank of Singasamudra was included in the Kayamgutta village. In 1884, the petitioner applied for permission to reopen the western sluice of the tank which had been closed for about 50 years. The Amildar recommended that the Kayamguttadar may be permitted to reopen the sluice. But the Deputy Commissioner ordered that two sluices were dangerous to the tank. The appeal is against this order.

2. On a reference made from this office as to how the tank came to be included in the Kayamgutta village, the Superintendent of Revenue Survey reports that the tank is a Government one and never in any way belonged to the Kayamgutta village, that the water thereof has never been used for irrigation in the Kayamgutta village, that in the Vottuvari accounts of 1873-74, it is entered as No. 53 and belonging to Heggaddevankote, that in the chakbandi, the Kayamgutta village is stated to be to the west of the Singasamudra tank, that at the Survey Settlement the tank was included in the Kayamgutta village by mistake, that no part of the atchkat of the tank belonged to the Inam village, and that the mistake made at the Survey Settlement might be corrected.

3. The case had been posted for hearing before Government on 5th December 1898. The appellant having died in the interval his sister Girijammanni prayed for an adjournment or for her deposition being taken before the Amildar. Thereupon the Deputy Commissioner was asked to examine her himself or have her statement taken by an Assistant Commissioner as to why the tank under dispute should not be separated from the Inam village and the mistake made at the Survey Settlement rectified. He was also asked to identify the lands referred to in the Ashtagram Commissioner's Order No. 137, dated 13th September 1877, on the authority of which the tank was included in the Inam village.

4. In reply the Deputy Commissioner reports that the lands referred to in the Ashtagram Division Commissioner's order are parts of S. Nos. 10 and 11 of the Government village of Sonahalli and S. No. 7 of Chakahalli, that Girijammanni and her brother Basavaraj Urs, who were examined by the 1st Assistant Commissioner, produced no other documentary evidence than the copy of an order of the Deputy Commissioner communicating to the Amildar the decision of the Division Commissioner referred to above, and that they have shown no cause why the tank under dispute should not be separated from the Kayamgutta village.

5. The Ashtagram Commissioner's order of 13th September 1877 only confirms the settlement made by the Superintendent of Revenue Survey when the matter was referred to him by Mr. F. B. Clerk, Assistant Superintendent of Revenue Survey, in his No. 310, dated 10th April 1877, wherein the lands under dispute are referred to as culturable waste lands lying uncultivated and suited for grazing purposes.

Decision:

The petitioner was not present at the time of hearing although the notice was duly served on her. The finding of the Superintendent of Revenue Survey is clear on the point that the petitioner (Kayamguttadar) is not entitled to the tank which was included by mistake within the limits of the Kayamgutta village at the survey. The maps may be corrected and the tank shown within the limits of Heggaddevankote. The petition is rejected.

No. 8864-5—P. F. 35-97, DATED BANGALORE, 8TH MAY 1901.

Copy of above is forwarded to the Deputy Commissioner, Mysore district, with records and maps received with his letter No. 601, dated 21st December 1900.

Appeal No. 3 of 1900-1901.

Appellant	*Versus*	Respondent
Chikvirasetti of Tyamagondlu village, Nelamangala taluk.		Channadevaru of Kodihalli.

This appeal is against the order of the Deputy Commissioner, Bangalore district, confirming the order of the Assistant Commissioner in charge of the Nelamangala taluk, directing the sale by public auction of Survey No. 26 of Kodihalli village in the above taluk, as the land was borne on the B list and should not have been given away by the Amildar without sale.

The facts of the case are as follows:—

On the 9th October 1897, one Timmegauda applied for the land in question, namely, Survey No. 26, measuring 12 acres and 29 guntas and assessed at Rs. 75 of Kodihalli village, Dodbele hobli, Nelamangala taluk. As it was entered in the B list, it was sold by public auction on 28th October 1897 to one Rahman Sab for Rs. 10-8-0. Another applicant having offered to pay a higher price on 1st November 1897, the land was again notified for sale and sold on 29th November 1897 for Rs. 15 to Channadevaru who paid up the sale money but refused to receive the "Saguvali chit" for that year (Hevilambi 1897-98) on the plea that the ploughing season was over, though it was tendered to him on the 9th January 1898. Thereupon the Amildar directed the Shekdar to enquire if the first auction purchaser Rahman Sab would take up the land for that year by paying the second sale price of Rs. 15. Rahman Sab declined the offer. The Amildar, in submitting the records to the Assistant Commissioner in charge of the taluk, solicited instructions as to whether the land might be removed from the "Khate" of Channadevaru in which it had been recently entered. The Assistant Commissioner directed Mr. Rajagopalacharlu, the Amildar, to retain the land in the "Khate" of Channadevaru and to recover the revenue for 1897-98 from him. Channadevaru again objected to take possession of the land on the same plea. The Amildar then represented to the Assistant Commissioner that Channadevaru's objection was a valid one and recommended that the land might be given to him from 1898-99. The Assistant Commissioner, Mr. P. Sitaramaiya, then submitted the matter to the Deputy Commissioner, Mr. B. K. Venkatavaradiengar, who ordered that as the auction purchaser refused to receive the "Saguvali chit" and had not executed a muchalika, he could not be treated as an occupant of the land and that it must be re-sold at the risk of Channadevaru. The land was therefore, after due notification, put up for auction on 7th October 1898, but the bid was only for annas eight. Since the first purchaser Rahman Sab was absent during the sale and the sale amount was also very low, the Amildar ordered another sale in the presence of the above person. But the Shekdar who had gone to conduct the sale on the appointed day, *viz.*, 24th November 1898, reported that none was willing to bid for the land, that the high bids in the earlier sales were due to zid and that a "Toppa byalada" tree that had stood on the land had been eaten up by white ants. No further action was therefore taken and the records were filed in the taluk office on 2nd December 1898. Thus none paid any assessment for the land for the years 1897-98, 1898-99 and 1899-1900.

3. On the 28th June 1900 the appellant Chikvirasetti applied for the said Survey No. 26 for the year Sarvary (1900-1901). As neither trees nor buildings stood on it, it was given to him (the appellant) and a "Saguvali chit" issued by the Amildar, the fact having been intimated to the shanbhog.

4. On the 11th July 1900, Channalingappa, patel of the said Kodihalli village, submitted a report to the Amildar stating that the said S.No. 26, was one included in the B list, that the raiyats of Chikvirasetti (the appellant) had cut down the trees that stood on it, and that he, though the patel of the village, was kept ignorant of Chikvirasetti's darkhast therefor and the subsequent proceedings. The matter was then referred for investigation to the shekdar of the Nijagal hobli, who made a report to the effect (1) that Patel Channalingappa and two others testified to five trees having existed on the land, (2) that chips of wood and tender Toppabyala twigs were mixed up in the newly ploughed soil from which it might be inferred that some trees must have been recently cut down though he could not identify the places on which the trees had stood. Simultaneously with the shekdar's report, Chikvirasetti (the appellant) submitted a petition to the Amildar, stating that the shekdar had been partial to his opponent Channalingappa, the patel, and that the presence of chips and twigs in the soil must have been due to their having been introduced into the land the night previous by his adversaries.

5. In the meantime, Channadevaru, who had purchased the land for Rs. 15 at the second sale, but who had refused to take it up from the year 1897-98, put in a petition to the Assistant Commissioner that he being the proper claimant, the land ought to have been granted to him or at least it should have been disposed of by public auction. The Assist-

ant Commissioner, Mr. Sitaramaiya, called for the records and ordered that, pending his decision, the land should not be given away to any one. But this order does not appear to have been communicated to Chikvirasetti (the appellant), who therefore cultivated the land. On the 19th September 1900, Channadevaru, the purchaser at the second sale, again petitioned the Assistant Commissioner, repeating his former statements and enclosing Rs. 75 in currency notes in payment of the assessment for the current year 1900-1901. The Assistant Commissioner issued orders stating that there being two applicants for the same piece of land, it might be sold in public auction.

DECISION.

It will be seen that the Survey number in question was land at the disposal of Government and was rightly ordered to be sold by auction under the existing rules. It was sold on the day notified in the proclamation of sale (28th October 1897) and after the expiry of ten days from the publication of the Notification, and was knocked down to one Rahman Sab. Ths sale amount being within Rs. 50, it was competent to the Amildar to have confirmed the sale on the expiry of 15 days from the date of sale. The rules do not provide for a re-sale being ordered nor for any objections being filed regarding sales of darkhast lands as is provided in the case of land sold for arrears of revenue under Chapter XI of the Land Revenue Code. The Amildar's obvious duty was to have waited until the expiry of 15 days and confirmed the sale. But because one Channadevaru offered a higher bid some days after the sale was closed, the Amildar ordered a re-sale on the ground that the applicant had said that he had not been sent for to attend the sale although he was present in the village on the date in question.

2. This is the first blunder committed by the Amildar. He failed to understand the object of issuing a proclamation and to realize the mischief resulting from ordering re-sales at the instance of any one who may offer higher bids after a sale had been properly conducted and concluded.

3. The second sale was held on 29th November 1897. Saguvali chit was issued to the purchaser on 16th December 1897, but the auction purchaser refused to receive it on the ground that the season for Vaisakhi cultivation also had passed. But the land had by this time been registered in the name of the auction purchaser. The Amildar reported the case to the Assistant Commissioner in charge of the taluk. Before the submission of this report, the Assistant Commissioner, when he was in the taluk for Jamabandi, would appear to have instructed the Amildar to offer the land to the first purchaser Rahman Sab. This was irregular on the part of the Assistant Commissioner. Rahman Sab, however, refused to take up the land, and the Assistant Commissioner directed the recovery of the assessment for the year from Channadevaru. No active steps appear to have been taken for recovering the assessment from Channadevaru. The Amildar's duty was to have adopted proceedings for the recovery of the assessment by declaring the land to be forfeited in the first instance and adopting the other processes prescribed by law. He contented himself with serving a notice on the defaulter and issuing a notification of sale, after which he recommended the remission of the assessment for that year.

4. After some correspondence between the Amildar, the Assistant Commissioner and the Deputy Commissioner, the Deputy Commissioner held that from want of acceptance of the Saguvali chit from Channadevaru, he had not become a khatedar and the land should in consequence be re-sold at his risk. The view taken by the Deputy Commissioner is not correct, but the present rules are not clear on the point. The revised rules, however, will place the matter beyond all doubt.

5. In accordance with the Deputy Commissioner's order, the land was sold by the shekdar in due course, but when the sale was reported for confirmation, the Amildar refused to confirm the sale because the original purchaser Rahman Sab's presence had not been secured at the sale. This is a repetition of the irregularity once before noticed on the part of the Amildar.

6. In the subsequent proceedings held in June 1900, a Saguvali chit having been duly issued by the Amildar to the present appellant Chikvirasetti and accepted by him so far back as 9th July 1900, it was irregular on the part of the Assistant Commissioner in charge of the taluk to have ordered on 21st September 1900 a sale of the land on the ground that Channadevaru had subsequently offered to take up the land and there were in consequence two applicants for it, and also on the ground that the land had been entered in the B list.

7. Proceedings like these are apt to unsettle peoples' minds and make them lose all faith in the certainty and continuity of Government action. They also in many cases eventuate in loss to Government although intended to bring in additional revenue. The order of the Assistant Commissioner is set aside, and the Amildar's order granting Saguvali chit to appellant, confirmed.

Docket No. 414, dated 2nd April 1901, from the District Forest Officer, Kadur, addressed to the Conservator of Forests in Mysore, through the Deputy Commissioner of the district, forwarding, for orders, correspondence in the matter of the issue of licenses by the Amildar of the Tarikere taluk under the raiyats' privilege rules for the removal of forest produce by raiyats to whom no forests have been allotted in the taluk.

(2) Note dated 1st May 1901, by the Secretary to Government, Forest Department.

No. 742-9—Ft. F. 5-98, DATED BANGALORE, 13TH MAY 1901.

ORDER THEREON—In the case brought to notice, the Amildar of Tarikere granted licenses for the removal of forest produce under the raiyats' privilege rules from the Haruvanhalli district jungles in the Lakvahalli magani by certain raiyats of the Kondenahalli village in the Ajjampur magani, Tarikere taluk. The District Forest Officer understood that the raiyats referred to were not entitled by Rule 8 of the rules published under Government Notification No. 6084—Ft. F. 105-95 of 8th January 1896, to the licenses obtained by them, and therefore questioned the authority of the Amildar in granting the licenses contrary to those rules and to the orders of Government contained in Proceedings No. 6393-401—Ft. F. 5-98, dated 8th March 1900. The Amildar reported to the effect that the practice had been obtaining from a long time; that village forests had not been constituted nor any assignments from district jungles made for the use of the raiyats. When the correspondence was placed before the Conservator of Forests during his tour of inspection, he recorded that the matter was one for the Deputy Commissioner's orders, but that, so far as he could judge, the action of the Amildar was opposed to the orders of Government, dated 8th March 1900. The Deputy Commissioner, however, declined to pass any order until the whole question of the assignment of village forests for the entire district was considered.

2. Government observe that no portion of the district forest in question is attached, or has been assigned, to Kondenahalli and the other villages concerned. In respect of that forest, therefore, the raiyats of those villages can claim no privilege or concession under the rules of 8th January 1896. The Amildar seems, however, to assert that the raiyats have been drawing upon the forest from time immemorial. But it is not reported whether this is a fact, and how the Amildar satisfied himself upon the point. Information is also wanting in respect of various connected questions, *e. g.*, how many villages in all are dependent upon this forest, firstly by situation, secondly by special assignment, and thirdly by long usage; and what are their distances from it; whether the villagers residing in the proximity of the forest are not likely to be prejudiced by the extension of the privilege to more remote villages; and above all, whether it would not be too great a strain upon the resources of the forest if the privilege of resorting to it were granted to villages not situate in its immediate vicinity. These questions do not seem to have been fully investigated by the Amildar before taking action upon the applications made to him by the raiyats of "Kondenahalli and other villages" who admittedly have not enjoyed the privilege of taking timber from the forest for the past 8 or 10 years. The orders of Government of the 8th January 1896, (Notification No. 6084—Ft. F. 105-95) and 8th March 1900, (No. 6393-401—Ft. F. 5-98) accentuated the need for the exercise of the greatest care and discrimination in dealing with such matters.

3. The Deputy Commissioner's order declining to interfere until a list is made out of assigned jungles by the District Forest Officer, does not commend itself to Government. Each individual case when brought to notice should be dealt with promptly and on its own merits. The collection of statistics and other information in view to the preparation of complete lists either for an entire taluk or for the entire district must necessarily take considerable time, and it certainly was never intended that the strict enforcement of the rules should be practically held in abeyance till then. The work, moreover, connected as it is chiefly with an enquiry into local requirements, "mamul," vested interests, &c., is one which devolves more properly upon the taluk Revenue authorities than upon the officers and subordinates of the Forest Department, who will, of course, help in the work of defining, demarcating, &c., after an assignment shall have been decided upon.

4. The foregoing remarks are communicated to the Deputy Commissioner in view to the needful action being taken by him in this and in future similar cases.

Government Proceedings No. 459—Ft. F. 15-1900, dated the 21st January 1901, empowering certain forest officers to compound offences under Section 59 of the Mysore Forest Regulation of 1900.

No. 751-8—FT. F. 15-1900, DATED BANGALORE, 14TH MAY 1901.

ORDER THEREON—The Government are pleased to issue the following instructions for the guidance of all officers empowered to compound offences under section 59 of the Mysore Forest Regulation, XI of 1900:—

1. The object of the procedure is to permit of the settlement of cases of forest offences by a summary method which does not entail the attendance of the parties at court. Ordinarily serious offences, such as damage to sandal-wood trees, forest fire cases, large thefts of timber and the like, should not be compounded. But a considerable number of petty cases of illicit grazing or thefts of produce, &c., may most suitably be dealt with by a composition under

section 59. The suspected person must not be threatened with a prosecution or be pressed to compound. The offer to compound and the acceptance of that offer by the suspected party must be voluntary. Cases in which the evidence does not appear to be strong enough to ensure conviction, should be withdrawn altogether; and the power of compounding should be utilised only when the offence has clearly been committed by the individual in question, but prosecution is deemed inadvisable, owing to the existence of special circumstances, such as the petty nature of the offence itself, ignorance of the law on the part of the offender or distance of the scene of the offence from a magistrate's court. The record of the forest officer's proceedings will usually be brief.

2. All forest officers exercising powers under section 59 should enter all cases disposed of by them under that section in a register which should show the following in tabular form :—

(*a*) the serial number;

(*b*) the name, parentage and residence of the suspected person;

(*c*) the offence suspected, the section of the Forest Regulation being given, and the value stated, if possible, of the property in respect of which the offence has been committed;

(*d*) the date of report (and of arrest, if made);

(*e*) the statement of the suspected person;

(*f*) the decision, with abstract of the facts and date of conclusion of the case;

(*g*) the amount of compensation fixed under section 59 (1) (*a*), and the value of property determined under section 59 (1) (*b*); and whether the sum assessed for one or other, or for both, has been paid.

3. Under section 59 (4) a copy of the proceedings must be given to the suspected person. The "immediate official superior" of the District Forest Officer is the Deputy Commissioner whose request to inspect any register of cases compounded should be at once complied with. The Conservator of Forests will also inspect the registers as occasion offers.
